From the President...

Are you a fair weather corvette enthusiast, in other words do you tend to drive your car a lot less in the fall compared to spring and summer? Generally speaking I see fewer Corvettes on the road in the fall compared to spring and summer, which seems odd. To me fall is one of the best times to take a drive and enjoy the changing colors of the season. My opinion is that some of the best days of the year are in October. It's hard to beat a warm sunny fall day! And an added incentive might be that you won't have as many bugs to wash off when you get back home.

I think we all agree that we drive our Corvettes very little if at all during the winter months unless it's a nice clear day free of snow and ice. Winter is a good time to go over that check list and review what changes might be needed for next spring or tackle a special project that you have been anticipating. But don't be too quick to put your winter cover on the car, just yet...

Take advantage of fall. There is still plenty of time for cruising the highways of the great State of Iowa!

Tom Grogan

Board Meeting Minutes, September 6, 2011

The September board meeting was held at The Tavern in WDM. VP Paul W. reports that the club trailer is back in shape and ready to roll. Paul and Darren B. spent the time to rewire lights, put on new tires and safety chains, patch the wasp hole and install bearing buddies on the hubs. Thanks to Darren and Nostalgic for the place to do it, cheap parts and cheaper labor. Motion to approve payment was firsted by myself and seconded by Denny. Paul had a club shirt on hand to eyeball and they do look good. He sez that the Friday night hospitality gig for Southridge might be held in the pool area at the host hotel. Mary Q. is checking for sure. Other fun stuff upcoming includes the Bob Brown car show September 17th, Greenfield Car Museum October 2nd, club car show October 9th, ditch diving October 29th, and Toys for Tots November 19th. December was left open so we could go whack a deer. Remember deer always taste better on the Weber than on a Chevy. January club banquet entertainment will be a risqué magician. No, it is not Bobo the Clown! Permission to pay the guy was first motioned by Denny and seconded by Larry M. Paul also purchased six radios at \$20 a pair.

Prez Tom sez we'll get our \$500 check to Clayton S. who will deliver the goods to the Chariton City Council for use of the airport. Officer elections are upon us and the open positions are VP and Secretary. Yes folks, I will be stepping down after abusing you for three years. Larry M.'s numbers are in order as usual. You know he has two sets of books don't you? We have Newton t-shirts for sale and some to give to our sponsors. Car-X donated some \$25 gift cards and these will be given out as prizes soon. First motion to accept Larry's report by Racer Mike and seconded by Tom. Dues renewal is here so sign up early for that discount.

Denny suggested a kybo for the Southridge event so the local merchants won't raise a stink about everyone using their facilities. We didn't think the idea was too crappy so we agreed to it. He will present a copy of our insurance policy to the Southridge people, attend the governors meeting in St. Louis and then it's off to England again. I get jet lag just thinking about this man's travels. Editor Dave is busy with flyers and Eric and Wayne were absent. Tony D. and I had no input. Racer Mike suggested we purchase two floor jacks and C5/C6 jack pucks so we don't have to scramble like we did at Newton. Also World of Wheels will not have a Des Moines show in 2012. That's alright because we will party like a rock star at convention in Topeka.

No old or new biz. Buy & sell: 2008 JD LA110 hydro rider, 19.5 hr, 42" deck and extra blades. Very good condition. \$1,300 OBO. Jimbo @ 515-333-3246. I think we're done... bye-bye.

Respectfully,
Jim Lucas – Secretary

General Meeting Minutes, September 20, 2011

The September club meeting was held at the Albaugh headquarters in Ankeny. This is home to one of the finest Bowtie collections in the country. I know that I speak for the club by saying THANK YOU Mr. Albaugh for letting us use your facility for our meeting. I would like to thank our guests and new members – Terry & Monica Hysell, Cuzin Dean, Norman Spurlock, Candi & Al Arms and Dave H.'s son-in-law Dan. I always knew Dave needed help. For those who are uninformed, Dave crashed his bike to avoid a car and suffered a broken collarbone. Hang in there Dave. After Prez Tom's introduction of various individuals, Member @ Large Eric Moore took over to announce the 50/50 winner. WOW! The winner was Prez Tom! He took home \$62 and a Congressional sub-committee was formed to check for any hanky-panky going on. Car-X donated some \$25 gift cards to be given away and two of them went to Monica Hysell and Sharon Klug. The other two winners got away before I could get their names... sorry about that. Eric sez the next club meeting will be held at the Tavern on 50th in WDM.

VP Paul W. said about 40 people attended the Progressive Dinner which was held at the homes of Paul & Sheila Wyman (watch that step!) and Tim Ford & Shannon Bradford. The food and company were great and the view in my mirror really put a smile on my face. Yeah if you weren't there, you really missed. I would like to thank those who made the secret third stop of cruisin' over to me & Sandy's new place. Glad you could stop by. It was reported that three cars showed at the Bob Brown car show. I think the weather may have scared a few off. Please check your *Sportsmate* for specific details on the following events: October 2nd – Schildberg Car Museum in Greenfield, October 9th – car show in Valley Junction (or somewhere), October 29th – hiway cleanup, November 19th is Toys for Tots (we collected \$1,600 last year and Bob Brown will match what we have). December is rest & recoup, January 21st is party time – club banquet you know – and for Wild Wade's, Sheri J. has the club display for us.

Larry's club finances can be picked apart in *Sportsmate* and the published report was first motioned for approval by Michael B. and seconded by Dick M. I had no report but my minutes were approved as published first by Larry N. with final nod by Money Man Mark who then reminded all to pay up as dues renewal is upon us. Tony and Denny were gone and Wayne had no input. Racer Mike is working to get the points updated.

New biz was officer nominations. We will have Racer Mike for VP but otherwise the same slate of people except for secretary. Sheri Jandik and Joel Klug were nominated for this position but both declined. Eric Moore was nominated for Member @ Large. Motion to accept the current slate with the exception of secretary was first made by Cheryl W and seconded by Michael B. 50th Anniversary club shirts will be at the next meeting to determine size and price. We had no old biz and in buy & sell: 2007 Red convertible see Wayne, race car & trailer see Carol W. We adjourned to the museum.

Respectfully,
Jim Lucas – Secretary

GENERAL MEETING NOTICE

We're back at The Tavern for the October general membership meeting

The Tavern on 50th
1755 50th Street, West Des Moines

Located just south of University on the east side of 50th,
directly across the street from Lowe's

Dinner @ 6:00pm, Meeting @ 7:00pm

Odds and Ends

Welcome New Members!

New CCI members who joined us in September are Mitch and Beth Damm. They can be found cruising around town in a 2004 White Coupe. We're happy you chose CCI and we hope you'll discover a good assortment of activities to hold your interest. We'll do whatever we can to get you involved and make the experience a satisfying one for you both.

Election of Officers

Officer elections were one of the focal points of the September meeting. Incumbents Tom Grogan, Denny Luther and Larry Mark agreed to be placed on the ballot in their respective positions of President, Governor and Treasurer for 2012. In addition Mike Quine offered his name as a nominee for Vice President but the nominating committee was unsuccessful in putting forth a nominee for Secretary. The floor was opened for additional nominations for the above five positions but received none who would accept. Incumbent Eric Moore was then nominated to the position of Member at Large. After asking if any other names should be placed on the ballot, President Grogan closed nominations from the floor. The five nominees, all unopposed, were accepted by acclamation. Subsequent to the meeting, Joel Klug agreed to place his name as Secretary which will require action to accept at the October meeting.

CCI's Sponsors

Sponsors are an integral part of our success each year and among other things, they contribute immensely to the health of our treasury. The majority of our sponsors are businesses with some connection to CCI and in many cases these businesses are owned by club members. We encourage all of our members to patronize these businesses as much as possible to recognize their support of our activities. You may also notice that a handful of our sponsors are nothing more than fellow club members. Furthermore, beyond monetary sponsorship of CCI, members such as Mike Quine have contributed door prizes for various events to enhance their monetary support. This type of sponsorship will become especially important in 2012 as all clubs in the West Region have been asked to provide door prizes for the NCCC Convention.

Club Dues Renewal

As of October 1st, we had over 50 CCI members who renewed their memberships for 2012 and in the process earned 5 club bonus points. Although time has run out for getting these early renewal points, don't forget that renewal dues are payable no later than November 1st to avoid a \$10 penalty. You can find the Dues Renewal Notice form through a link on the Members Only page of the club website.

Please Note: The Dues Renewal Notice is different than the Membership Application that appears on the website and near the back of every Sportsmate. The Membership Application is intended only for new members applying for the first time and former members whose membership has lapsed.

Events, Past and Future

Southridge Low Speeds.

Although turnout was a little under expectation, our fall speed event weekend last month at Southridge Mall was still a great success. Thought you might enjoy a few snapshots from the weekend. Of course the shot at top left isn't Southridge – it's a parade lap at Newton but shows the beautiful weather we had there. Southridge was a bit cooler but we had the likes of Denny Luther's flame throwing front brakes to warm things up for us! What's up with that Denny? And what's a great autocross without the sight (and sound!) of a good spinout, right Craig? That's Tony DiMaio taking care of the flagging duties at the start line and as you can see, all the drivers gave us some excitement to talk about!

Greenfield Car Museum Cruise. Our road trip to Greenfield on October 2nd was great fun and very educational as well. Our tour of the Schildberg Antique Car Museum gave us a glimpse into the motoring past and many cars you just won't see too often. After taking in the museum, we went across the street for dinner at the recently renovated Olive Branch Greek Restaurant adjacent to the also recently renovated Old Hotel Greenfield. We all thoroughly enjoyed this part of the trip that featured excellent food and an in depth and historical look at the hotel. Thanks to the folks in Greenfield – We were impressed! On our way home we topped it off with a stop at sunset to view Freedom Rock just outside Greenfield. Stunning!

Vettes in the Valley Car Show. Our 2nd Annual Vettes in the Valley car show was held on October 9th. The weather was superb, especially when compared to last year's sweltering heat, and the turnout was impressive. Proceeds will benefit one of our main charities, Variety of Iowa. Thanks to Darren Brown and Paul Wyman for putting this show together and for having the foresight to move it to the fall. Paul will have a full report at the next meeting.

Vettes Take on the Ankeny Autobahn. Our semi-annual trek out to the Ankeny Autobahn, a.k.a. northbound I-35, for litter cleanup is scheduled for Saturday, October 29th. This community service effort with free lunch afterwards earns you up to 8 club points. We'll head to Sugar Shack when we're finished... remember, the more people we have, the sooner the cleanup work is done and the socializing can begin! Let's shoot for a couple of dozen of us so we can wrap things up in a couple of hours. It's a great cause to put at the top of your list! See the flyer on page 15 for complete details.

Toys for Tots Cruise. Our annual Toys for Tots cruise is set for November 19th to avoid interfering with an Iowa or Iowa State home football game. Just like our I-35 litter cleanup, this event awards up to 8 club points – 4 community service points and 4 party points. After a stop at Bob Brown Chevy to present our donations and earn your community service points, it's on to lunch at Sugar Shack to score your party points. The flyer appears on page 16.

Save the Date!

Mark your calendars and look for more details in upcoming issues of *Sportsmate*:

Saturday, January 21, 2012. Our 2011 CCI Awards Banquet has been scheduled for January of next year. Paul Wyman is still working out some of the details but it looks like it will be held in one of the banquet rooms at the Holiday Inn on Fleur Drive. We're having a comedy magician as entertainment after the meal and awards. We hope to have a flyer for you in November.

Buy & Sell

A message from your Governor

Don't these nice warm fall days make you want to play hooky and just cruise with your Corvette all day, every day? Fall is such a great time to really enjoy our passion with our cars. Unfortunately, we also know these days will come to an end soon so we have to take advantage of every day we have available.

Our last autocross of the year the last weekend in September at Southridge Mall parking lot was another great success. A big thank you to everyone who made that happen with your participation and help. Without the great support we get, we could not deliver to the club and the region the high level of events we do every year. Tony and Paul set up a really fun and fast course that leveraged the space we had this year. Our wireless timing lights have significantly improved our options for course setup.

This was our first full year with the new timing equipment and I want to take this opportunity to say thanks to our timing team made up of Linda Hommer, Sheila Wyman, Nan Brittain, Wayne Weidmann and Dave Howard and several others that volunteer to help with timing tickets. A special note goes out to both Linda and Sheila for taking ownership and responsibility early on for the system management, data input and results reporting. 2011 started as a learning year but quickly turned into a very experienced, smooth and professionally run machine that received regular compliments from participants for the way the timing process performed. Thanks to the timing team!!

See you all at the Tavern for our regular meeting on the 18th.

Denny Luther

Happy Birthday!!

Vettes Take On The Ankeny Autobahn V

Saturday,
October 29, 2011

At 9:00AM we will meet at the IDOT Drivers License Station to take on round five of our litter cleanup duties on I-35.

We'll pass out bags and safety vests there to get us started.

Boots and work gloves recommended!!

With a little luck we should finish up around 11:30.

Remember, the more workers we have, the less time it takes!

CCI will buy lunch for the workers at Sugar Shack afterwards.

Four Party Points plus

Four Community Service Points

NOTE: You must attend litter cleanup and lunch to receive both sets of points

For more information call
Tom Grogan at 967-2520

CRUISE

Saturday, November 19, 2011

Meet at

Bob Brown Chevrolet New Cars

4224 Merle Hay Road

Des Moines

10:30AM

Bring a new, unwrapped toy or cash donation (in check form please). We will present these to Bob Brown's along with our club check. Plan to depart at 11:15AM, cruise around the countryside for a little while, then arrive at Sugar Shack in Altoona about noon to have lunch, hang out and visit.

I recommend a cash donation... Bob Brown's will match it!

FOUR PARTY POINTS PLUS

FOUR COMMUNITY SERVICE POINTS

NOTE: You must attend Bob Brown's and lunch to receive both sets of points
