- *Plated Dinner*
- *High & Low Speed Events*

- *Bus Trips-Cape May*
- *Boardwalk Scavenger Hunt*

This year, I am interested in going and I would really like for you to come, too. As you may note from the activities listed above, there should be something for everybody at this year's Convention. Regardless what your main interest is, there will be like-minded people there who are want to have a good time and be involved with all things Corvette. You may choose to fly out and just attend the social events, or you may want to rent a car to take part in the rallye. You could always drive your Corvette out and participate in the speed events or the car shows. Any way you choose to do it, there is plenty of fun waiting for you. To find out more about the 2022 NCCC Convention, go to the website at: corvettesnccc.org and click on CONVENTIONS. Registration begins February 1, and if you're interested, you need to plan on signing up for it within about the first 2-3 weeks, as the events fill up quickly.

I would love to have you attend this event with me. If you would like to go, please go online and register, then let me know by March 1, 2022, so I can coordinate activities. You may contact me at gfooster852@hotmail.com or PH: 515-823-1849.

Thanks,
